Dear Bill,

Pursuant to our discussion last week, here are some important points on Soviet defense costing prepared for my use in talking with PFIAB on Wednesday. Also attached is a draft of a letter for you to sign to Anne Armstrong as you requested. She seems no longer to be interested in a national estimate on Soviet defense costing, being satisfied that the need is being met as indicated in my talking points, and would simply like to have a letter from you. From our conversation last week I think that's the way you understand it also.

Yours,

Bill

William J. Casey
